## **Planning for Retirement**

**Ideal for individuals nearing retirement or early in retirement who are excited about exploring ways to make this transition a fulfilling, rewarding adventure**

**What to expect:** Participants share ideas and knowledge about all aspects of retirement, such as, relocation, travel, health and fitness, part-time work, volunteer opportunities, financial management, new hobbies and more...

Members' individual circumstances will be diverse, but everyone shares a quest for knowledge, openness to new ways of thinking, willingness to stretch imagination, and a desire to help each other define and plan a happier and more meaningful retirement.
